3. A BESTSELLER Card may not be converted into cash.

The Issuer will refer the banks to the fiduciary relationship. The Issuer will ensure that the payment amounts held in the trust accounts are at all times accountably assignable to the relevant creditor and are never merged with the amounts of any natural or legal persons and in particular not with the Issuer's own funds, other than the Issuer's creditor for which they are held. The Issuer may deduct amounts from the trust accounts corresponding to any claims by the Issuer against the respective creditor.
